

The Free Church – St Ives

We are a United Reformed church set at the centre of the community in St Ives; Just Sharing, St Ives' Fair Trade shop, is an integral part of the work of the church.

We are keen to support our local schools in any way we can.

In particular we can offer:-

- visits to the church and input to support the Christianity programmes of study in the agreed syllabus**
- visits to support pupils' experience of Christian festivals**
- a venue and leadership for special acts of worship**
- talks, assemblies or visits on the subjects of Fair Trade**
- talks or assemblies on the work of Christian Aid**
